PROFILE

Product designer passionate about creating engaging and user-friendly innovative designs and with a strong background in front-end development. Skilled in Adobe Photoshop, Figma, and Adobe Illustrator. Proficient at translating complex concepts into easy-to-use interfaces and collaborating with cross-functional teams to drive product vision. Committed to staying current with design trends and tools to deliver cutting-edge solutions. Aiming to leverage my expertise to elevate user experiences and drive business growth.

EMPLOYMENT HISTORY

Freelance Product Designer Freelancer
February 2023 — Present

- Managed a portfolio of freelance projects, ensuring that deadlines were met and clients were satisfied with the completed work
- Created custom animation components to improve user interaction with the app
- Collaborated with cross-functional teams to ensure the successful launch of the app
- Developed a responsive website that is optimized for both desktop and mobile devices, increasing user engagement.

UI/UX Designer Freelancer
February 2023 — Present

As a UI/UX Designer freelancer, I've crafted visually appealing and user-friendly interfaces for websites and applications, leveraging skills in Adobe Photoshop, After Effects, Illustrator, and Adobe XD to design wireframes, prototypes, and final designs prioritizing user experience and engagement.

Front-end Developer Freelancer
August 2022 — Present

- Developed a secure, interactive web application with a modern front-end framework and an intuitive user interface
- Developed a full stack web application from scratch, including back-end services, front-end interface, and database
- Utilized HTML, CSS, and JavaScript to create visually appealing and interactive webpages

Target
February 2019 — Present

- Experienced in Target business fundamentals; departments sales trends, inventory, quality and freshness management, guest shopping patterns and pricing and promotions strategies.

EDUCATION

Full Stack Development (Coding), University of Minnesota
November 2021 — August 2022

UX/UI Designer, Thinkful (Chegg Inc.)
January 2024 — January 2024
